Station Mangalore, Dated the 21st June 1929.

From (Name) G. W. Wells, Esquire, M.A., I.C.S.,

(Designation) Collector of South Kanara.

To The Secretary to the Government of Madras,

Revenue Department,

Madras.

Sir,

As the telephone intended for my office has to serve several officers, it is necessary that it should be filled up inside a cabinet to ensure privacy. I therefore require a cabinet with a message board fixed inside it, and also a small table for the telephone in my bungalow. The Government Telephone Department is pressing for the urgent supply of these things in order to enable it to finish up the connections. I have therefore purchased locally a table for holding the telephone apparatus in use at my bungalow for Rs.11/-, as the matter was urgent.

As, however, the making of local purchases of furniture is contrary to G.O.No.2109 (Law Genl.) dated 20th June 1928,

2

I request that the purchase of the above table at Rs.11/- may be approved and that I may be permitted to place an order for the cabinet and message board at a cost of Rs.70/- with the local St. Joseph's Asylum Industrial Workshops. So far as I remember, the telephone in the Collector's office at Tanjore is in a cabinet and it is necessary that the person telephoning should be so screened to ensure privacy and to obviate disturbance of others working in the vicinity.

I propose to meet the above expenditure, which will not exceed Rs.100/- from the allotment under 22 R.E. General Administration - Collectors and Magistrates - Telephone charges. The favour of early orders is solicited.

Your obedient servant,

Surely it is a new precedent this for Govt. to pay for a table at an Officer's house also for his telephone. If there is a precedent I've no objection to it being followed in this instance – just I do not think it should be sanctioned.

2. I have no objection to the provision of a Cabinet in the Collector's office building at Govt. expense

Sir,

orders issued in G.O. 1435 Rev. dt. 18.7.29
(C)

I request the favour of orders on the above reference.

In this connection I have further to state that the Superintendent of Central Jail, Cannanore on whom indent was made for certain office furniture this year, has intimated that on account of pressure of work in the Sub Jail he would be able to execute only a small portion of the indent. This would show that it would be out of the question to expect the Superintendent to supply the cabinet.

The telephone department has given me a temporary

fitting for want of the cabinet, and it is, therefore, essential that cabinet should be fitted up as soon as possible.

Your obedient servant,

For Collector.
